

Highlights from the Mayor

I'm sure most of you are wondering when summer will get here. I know I'm wondering, but even if the weather isn't ideal, there is still much to do. Between our parks, the summer schedule for the pool, and all the sporting activities, with an umbrella in tow, there shouldn't be too much you will miss.

Very excited that we have the opportunity to host provincial ball (2 different age groups, 2 different weekends). Also coming up on August 15th is Rock the Block, something we all want to take in.

Some of our committees have slowed down a bit for a few weeks over the summer, so we will have fewer conflicting dates, allowing us to take in more events. And of course we are all looking forward to rodeo week the last week of August and the September long weekend.

For the golfers in the community there are also a couple of tournaments coming up in August so check with the Golf Club about registration, 780-645-4077.

As much as I hate too, I have to bring up the rain again, because it is causing us some grief with regard to our repair and construction work. Obviously we can't lay pavement either for construction or repair purposes when base surfaces are too wet. We are praying that the weather will dry up and allow us to continue with our planned work this season. Fingers crossed!

August 15-18, the Metis Nation of Alberta is holding their Annual General Assembly in our Town. This will be a busy time, with the Metis Flag presentation and raising on August 17th. Watch for activities and festivities that will be happening during this busy, exciting few days.

When out on the road this summer please be aware of RV and farm traffic. Passing either of these is risky, so be sure and be safe.

On behalf of council we wish you a warm and happy summer.

Till next time.

Maureen Miller, Mayor
