

Highlights from the Mayor

Hello Everyone!

I wish I could say this is the weather we have all been hoping for but unfortunately May flowers has turned into June showers. During this time, it is important that we continue to appreciate those around us who are working hard to keep us safe and to cherish the moments we have with our families.

Although most of the news lately has been difficult to watch, here in the town we have some great news. We received the funding to hire back our Summer staff support which I am sure you have all seen around town cutting grass and bringing the flowers back to life. The golf course has reopened and it seems that everyone is enjoying the greens and the ability to enjoy an activity outdoors. This past week our playground equipment and fields were opened to the public which I am sure is a huge relief to many parents and little ones. We will continue to work on opening more activities around town while following the direction of the Alberta Chief Medical Officer.

Please take care of yourselves, enjoy the weather that Summer will hopefully bring, and think of ways you can support local. Consequently, small businesses have taken a massive hit from this pandemic. Therefore, when you can please support the building blocks of our community and the communities in our own backyard.

Maureen Miller, Mayor

PARKS & RECREATION

Playgrounds are OPEN

Recommended protocols in place are from the Provincial Government:

- WASH HANDS BEFORE AND AFTER USING OUTDOOR RECREATION SITES.
- KEEP AT LEAST 2 METRES (SIX FEET) APART FROM OTHERS.
- STAY HOME IF YOU HAVE COLD LIKE SYMPTOMS OR FEEL UNWELL.
- SPRAY PARK REMAINS CLOSED AT THIS TIME.

NEW REALITY

Join us! For a 2 hour interactive live webinar session for community **not-for-profit** organizations in St. Paul and area. Offered by the Community Development Unit of Alberta Culture, Multiculturalism and Status of Women.

Running a not-for-profit takes time and effort in the best of times. So how do you adjust to this new reality? ... to an environment that is changing rapidly? ... to an environment that has changed forever? this webinar will help you reflect on your organization's current and evolving issues, share your experiences, discuss solutions and identify where you need support and assistance moving forward.

**Tuesday
June 16, 2020
9:15 - 11 :30 AM**

Space limited! RSVP

PLANNING & DEVELOPMENT

HAVE A BUSINESS?

You may apply for a business license at the Town Office. A business license is required for persons involved in a business activity within the Town limits.

You may first need to contact Planning & Development to verify if a development permit is first required.

Please call 780-645-4481 for more information or email: pd@town.stpaul.ab.ca
