Wednesday, July 1: CLOSED
Regular Hours Resume Thursday, July 2

PLANNING & DEVELOPMENT

INTERESTED IN SUBDIVIDING?

On October 29, 2018, Council appointed themselves as Subdivision Authority for the Town of St. Paul. This means that subdivision applications are received by the Subdivision Officer and Council makes the final decision on any proposals in accordance with adopted planning documents.

Applicants/Owners are encouraged to drop by and pick up a subdivision application or go online at <https://townstpaul.civicweb.net/Portal/> then click on Document Center>Forms>Planning and Development>Subdivision Application Package at their convenience.

Pre-application meetings are encouraged before an application is filed to assist you in your preparations.

It is important to plan ahead! Submit your subdivision application now to pd@town.stpaul.ab.ca if you are planning on building on the proposed lot in 2021 for the Subdivision Officer's review! The timeline for a standard one or two lot proposed subdivision can take between 3-5 months to be processed and registered. This timeline includes but is not limited to: file acceptance, 21-day referral period, decision by Town Council, applicant/owner to complete their conditions of approval (if approved), obtain your survey, and registration at the Land Titles Office.

FCSS / FAMILY RESOURCE NETWORK

With The Town of St Paul
