

Highlights from the Mayor

I'm scared to start by saying spring is finally here, because it will snow for sure, but the warmer weather is certainly a treat. With the onset of warmer weather, I know some very caring people within our community are thinking about Communities in Bloom. The color this year for this promotion is yellow, so think about planting some extra daffodils or any other yellow blooms.

If you haven't heard already the "Take it or Leave it" building at the Town of St. Paul Transfer Station is now accepting bikes. So if you have an old bike that is still usable, or can be fixed up with minimal effort consider dropping it off at the "Take it or Leave it" building for someone without a bike if in working condition, or for some kind soul to fix and give to someone who doesn't have a bike.

With this new round of shutdowns, it is more important than ever to support our local business's. Please consider shopping local. Our business owners are struggling to stay open and if we want our community to prosper again when this pandemic is finally over we all need to do our part and help support our businesses now when our support has never been so needed.

As our garbage program rolls out, one of the things we are working on as pilot program is the Grass pickup clipping program. We have revamped this program this year and for those who qualify, (seniors and those with mobility challenges), we will be picking up your grass clippings once a week. However, this year rather than having people come in to register and buy stickers, we are asking people to purchase compostable large paper bags for the clippings and leave them on your "FRONT" lawn for pickup on the appropriate day. The reason we say front lawns is because those picking up will need to confirm your address which often is not possible from the back of houses. You will need to be registered in order to have your clippings picked up. To register or for any questions please contact Public Works, at 780-645-3509.

We are certainly facing some challenges this year, but as a community we have always been resilient and hopefully that strength will see up through until the pandemic is through.

Take care, stay safe and be well,
Maureen Miller, Mayor.

PUBLIC WORKS

Spring Cleanup - All of May 2021

County residents can dispose of fridges, freezers and water coolers that contain Freon without paying the \$20 Freon removal fee during Spring Cleanup.

The fee waiver is valid only during Spring Cleanup.

Items should be taken to the Transfer Stations located in the region:

* County of St. Paul [Ashmont, Mallaig, St. Edouard, St. Lina, Vincent Lake, Whitney Lake]

* Town of St. Paul * Town of Elk Point

* Evergreen Regional Landfill

For locations and hours see www.evergreenwaste.ca or the County of St. Paul website under 'Waste Management'

Summer Student Program Assistant

The mandate of FCSS is preventative social support and programming. FCSS has created a system that relies on local knowledge and leadership, and the unique strengths of local cultures to inspire communities of individuals to prevent crises.

Purpose of Position: Our organization maintains high quality standards in program delivery and reporting. We are looking for a very detail oriented individual whose main responsibility will be to participate in developing, maintaining program structure and administration. The successful candidate will be responsible for supporting the team, research, client service delivery and daily operations of the programs.

Responsibilities (include but are not limited to):

- Participate/lead program development initiatives and follow through on all outstanding tasks. Create and update program marketing material including brochures, web content, letters etc.
- Create program forms and other materials and service delivery tools as needed
- Ensure that the operation of the program meets the expectations of the organization
- Report findings to the Director and recommend changes to enhance the program as appropriate

Qualifications/Skills Required:

- Excellent communication and interpersonal skills
- Flexible to work evenings and weekends if required
- Computer skills are required
- Use of a vehicle for local travel
- Ability to work independently and as part of a team
- Physical ability to carry out the duties of the position
- Assist with other FCSS programs as required

Qualified applicants are invited to submit a cover letter and resume with two references by

Friday, May 28, 2021 at 4:30pm to:

Town of St. Paul FCSS
5002 - 51 Ave
Box 1480
St. Paul, AB T0A 3A0
Email: ismid@town.stpaul.ab.ca

Please note that the successful candidate will be required to provide a criminal record check prior to their first day of work.

We would like to thank all applicants for their interest. However, only those applicants selected for an interview will be contacted for further information.

- This is a term position, commencing on June 21, 2021 and ending on August 23, 2021.
Thirty-five hours per week @ \$17.00 per hour.
- Regular office hours are: 8:30am - 4:30pm Monday to Friday.
- Location: 5002-51 Ave St. Paul, there will be some work done at local parks for FCSS events in the Town of St. Paul.
- The student will gain valuable knowledge in working with all ages of the public. They will have the opportunity to plan and execute an event for the community and gain feedback with a survey. The student will also gain organizational skills as she works closely with FCSS and Family Resource Network.
