

## Highlights from the Mayor

Winter has clearly made it to the Lakeland! With the heavy snowfall and wind that fell upon our community earlier this week, we certainly appreciate everyone's patience as our crews work tirelessly to remove the snow and ice from our roadways. A reminder to everyone that our Snow and Ice Removal Policy identifies priority areas that receive the attention of our employees and equipment first and that our crews have worked around the clock last week in order to get these priority areas completed. Watch our Facebook page for daily updates of the snow removal program as we progress throughout the Town. Please respect the signage in these areas indicating the parking ban and avoid travelling these streets while work is underway if possible.

For those needing assistance clearing their sidewalks, a reminder that the Town of St. Paul FCSS Department coordinates the Snow Angel Program that assists Seniors and those with mobility issues and is accomplished through volunteers. Please visit their website at [www.stpaulfcss.ca](http://www.stpaulfcss.ca) for information on how to register for a Snow Angel or how to volunteer to be a Snow Angel. You can also call them at 780-645-5311 or visit their Facebook page.

With Winter also comes the Holiday Season and this year, the Town of St. Paul FCSS Department continues to coordinate the Christmas Hampers which will be in conjunction with Santa's Elves. The Food Hamper Program is completely 100% Community Funded and donations can be made at the Town of St. Paul FCSS, Cornerstone Co-op, Sobeys and Extra Foods. If you or someone you know, who is a resident of the Town or County of St. Paul, is in need of a hamper, please connect with FCSS by calling 780-645-5311 no later than December 14, 2021 by 4:00 p.m.

One last topic I would like to touch on is our current Waste Bin Program now that the Winter months are upon us. It is expected that we experience some growing pains during our pilot project with garbage pickup especially now that snow has been an added factor. We will work through these issues and adapt to the best case scenario as time progresses. We appreciate your concerns and input as well as your patience as we move forward.

## MUNICIPAL ENFORCEMENT

### BYLAW #1119

### TRAFFIC, STREETS & PUBLIC PLACES CLEARING OF SIDEWALKS:

*All persons owning or occupying premises in the following areas of Town shall remove and clear away all snow, ice, from the sidewalks situated on land adjoining the property within 48 hours of the time that such snow, ice or other obstruction was deposited thereon.*

*Persons who are physically challenged and unable to maintain their walks are encouraged to call upon family, friends or neighbors for assistance. If unable to find assistance, please contact St. Paul FCSS to inquire about the Snow Angel Program. 780-645-5311.*

*As well, motorists are asked to take a few extra minutes to clear snow and frost off of their vehicles. This becomes a hazard as visibility is compromised. Your continuing efforts are appreciated.*
