

## Highlights from the Mayor

Welcome to another edition of Mayors Highlights and dare I say Spring has arrived. And with that warmer weather, we see more and more of the community out taking advantage of the temperatures. One thing I would like to share with our community is the Bicycle Registration Program on our town website. This quick and easy form allows your bike(s) to be put into Municipal Enforcements database which is then used to identify and return those bikes that end up in their possession. Simply go to [www.stpaul.ca](http://www.stpaul.ca) to access this form.

And as always, it's also that time of year where Council is fully engaged in budget discussions with Administration and finalizing how the 2022 year will shape up. Having heard from our assessors and being presented the audited financial statements, Council and Administration will now discuss the draft budget for this year and move together in a direction for final approval.

Finally, on behalf of myself and Council, we wish you safe travels if you are away and relaxation if you are home this upcoming Easter Weekend.

Happy Easter!

## FCSS/LAKELAND FAMILY RESOURCE NETWORK
