

## Highlights from the Mayor

May is on its way out and June is right around the corner with hopefully some warmer temperatures which will make our community that much greener. More leaves on the trees, more flowers blooming and of course, more lawns to mow.

The Grass Clippings Program is operating again for seniors and those with mobility issues who are unable to take their grass clippings to our Transfer Station. If you fall within the criteria to register for the Grass Clippings Program, please call Public Works at 780-645-3509. A reminder that waste carts are for household garbage only and we encourage everyone to utilize the Transfer Station for all other items needing to be disposed of.

In some exciting news, St. Paul will be competing for a National Level in Communities in Bloom since winning the Provincial Level back in 2018. St. Paul will be hosting two National Level judges who will be arriving July 21-23 and will get to tour around our great community. The vision of the Communities in Bloom is to inspire all communities to enhance the quality of life and our environment through people and plants in order to create community pride. With that in mind, the color theme for this year is Red and the year has been proclaimed "Year of the Garden". Stayed tuned for more information of an upcoming Garden Contest.

Pets seem to be a bit of topic in the community right now but not for reasons you may think. With the warmer temperatures here and the desire for more people to be active outdoors, the problem of not cleaning up after your pet does their "business" in a public space is something that I'm sure we can all relate to. Whether you've been the victim of stepping on something you wished you hadn't or you've seen the pet owner who forgot the doggy bag at home, I think we can all agree that this responsibility of pet owners to clean up the mess left behind is extremely important in keeping this community clean.

And please remember that, as per Bylaw 1174, all dogs must be on a leash when off of the owner(s) property.

Enjoy the rest of May.
