

Highlights from the Mayor

School is out, summer is here and boy oh boy, our community is going to be busy! You can expect to see a heavier footprint within our Town as St. Paul Minor Ball will be hosting 2 consecutive weekends of Provincials starting with U13/U15/U17 Girls Softball Provincials the weekend of July 8th to 10th followed by the U11/U13/U15 Boys "A" Provincial Championship the weekend of July 15th to 17th. If you have the opportunity to go and take in a game, please do and kudos to those parents and volunteers taking their time to contribute to what I know will be successful weekends.

I would also like to take this opportunity to extend a big congratulations, on behalf of myself and Council, to the Graduating Class of 2022. You entered into High School like any other previous class did but adapted and endured when the pandemic changed the path of education and school activities. It was well deserved that you were able to celebrate your graduation the traditional way this year. Congratulations on your achievement and cheers to your next adventure!

Cheers to a great Summer!
