

Highlights from the Mayor

Well here we are again with the end of the October approaching and you can see by some of our Town resident's lawn decorations throughout the community that Halloween is right around the corner.

Trick or Treating Hours continue to be 5:00 p.m. to 8:00 p.m. this year and we ask residents that they have their front doorstep

light on to indicate if they are handing out treats. Be sure to visit the Recreation Centre for Safe & Sweet where FCSS will be handing out treats between 5:00 p.m. to 7:00 p.m. followed by the free movie, sponsored by St. Paul Regional FCSS, at the Elite Theatre starting at 7:00 p.m.

Above all, please use caution when driving through the community on October 31. Our children are excited with the magic of Halloween and that excitement can be distracting. Please reduce speeds and double check when exiting any driveway and/or back alley. Our days are shorter and low lighting combined with lack of visibility requires us to be extra cautious for our little ones.

This past weekend, our Region hosted and welcomed nursing students from the Campus of Saint-Jean a French-Language faculty of the University of Alberta for a weekend of skills, labs and to experience a rural lifestyle. Thank you to all parties involved in making this opportunity successful that allowed us to highlight our area to future nurses.

This Fall weather we've had has been perfect for allowing our Capital Projects to be completed and to start prepping for the upcoming Winter Season. Currently, Council is engaged in budget discussions with Administration for the 2023 year and what impact that may have to our communities' levels of service. With that being said, I encourage residents to sign up for E-Billing as not only an environmentally friendly alternative but as a cost effective mean to the municipality. Visit at our website at www.stpaul.ca to access the form as well as take the opportunity to download our new Town App that can be found on iTunes and Google Play. Ultimately, our goal is to keep you connected with our community.

PROTECTION SERVICES

St. Paul Fire Department

HALLOWEEN

FCSS/LAKELAND FAMILY RESOURCE NETWORK

SAFE & SWEET HALLOWEEN

DONATION REQUEST

The Town of St. Paul, St. Paul Regional FCSS and Lakeland Family Resource Network has once again partnered to host a Halloween event for children and families in the St. Paul Area.

We are approaching organizations in hopes that you could donate some candy, treats or a donation for this year's event. The hope is to get donated candy from businesses/individuals to hand out in drive by format at the Recreation Centre.

If this interests you, your donation can be brought to the Town Hall or FCSS Office no later than Thursday, October 27th. Once your donation is brought to the office you will receive a poster to put in your windows informing trick or treaters of this year Safe & Sweet event.

FYI - We will also be sponsoring a Halloween movie at Elite Theater for families on October 31st to enjoy free of charge, more details to come.
